

Website Privacy Policy Obsolete Car Spares 2025

This policy will explain areas of this website that may affect your privacy and personal details, how we process, collect, manage and store those details and how your rights under the GDPR, DPA & PECR are adhere to. In addition it will explain the use of cookies or software, advertising or commercial sponsorship from third parties and the download of any documents, files or software made available to you (if any) on this website. Further explanations may be provided for specific pages or features of this website in order to help you understand how we, this website and its third parties (if any) interact with you and your computer / device in order to serve it to you. Our contact information is provided if you have any questions.

The DPA & GDPR January 2025

We and this website complies to the DPA (Data Protection Act 1998) and already complies to the GDPR (General Data Protection Regulation) which comes into effect from May 2018. We will update this policy accordingly after the completion of the UK's exit from the European Union.

Contact & Communication With us

Users contacting this us through this website do so at their own discretion and provide any such personal details requested at their own risk. Your personal information is kept private and stored securely until a time it is no longer required or has no use. Contact David Kingerley davidclassicspares@tiscali.co.uk.

Where we have clearly stated and made you aware of the fact, and where you have given your express permission, we may use your details to send you products/services information through a mailing list system. This is done in accordance with the regulations named in 'The policy' above.

Downloads & Media Files

Any downloadable documents, files or media made available on this website are provided to users at their own risk. While all precautions have been undertaken to ensure only genuine downloads are available users are advised to verify their authenticity using third party anti virus software or similar applications. We accept no responsibility for third party downloads and downloads provided by external third party websites and advise users to verify their authenticity using third party anti virus software or similar applications.

Website Visitor Tracking

This website uses tracking software to monitor its visitors to better understand how they use it. The software will save a cookie to your computer hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information.

Use of Cookies

This website uses cookies to better the users experience while visiting the website. As required by legislation, where applicable this website uses a cookie control system, allowing the user to give explicit permission or to deny the use of /saving of cookies on their computer / device.

What are cookies? Cookies are small files saved to the user's computer hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors or use the cookie control system if available upon their first visit.
